Current job situation of the alumni from IBS Groningen?

Research question:
Our main question is: what is the current job situation of the alumni from IBS Groningen?
The sub question are:
• How many students graduated in the various years?
• What are the most popular jobs?
• Where do alumni work and what is the career path?
• What is their highest degree?

Approach:
All IBS graduates (N=3500) were traced on LinkedIn. Through structured queries data was collected by team of 13 researchers.

Results:
In total we have retrieved 1945 respondents on LinkedIn, that is 55,6% of all alumni. 90% of the profiles contain updated information.

112 Companies employ more than 1 IBS alumnus. Almost 38,3% continue with a Master study or more.
Please see the tables and graphs for the details.

Conclusion:
• IBS is truly international: alumni work on all continents of the world, in 77 different countries
• Spread of jobs matches IBS specializations
• Unemployment is very low
